- Look up the column for the last digit in the household serial number and the row for the number of eligible people
- The number in the cell where the column and row meet is the Person No. to interview. For example, if household serial ending in '2' has '3' adults, interview the household member listed as Person No. 2 in the Household List at Q.S2

Circle the chosen respondent and if available explain to them the purpose of the interview, obtain consent and proceed

- If the selected respondent will be available that day, but is not available/ not at home at the time the interviewer calls, the interviewer should make **2** return calls to see if that person is available/ has returned before selecting another household.
- If the selected respondent is not going to be available that day, the interviewer should go to the next household. Do not select another respondent within the household.]

## INTRODUCTION AND CONSENT

Good morning/afternoon/evening. My name is \_\_\_\_\_. I am here on behalf of [AGENCY NAME], a Research Agency, in [COUNTRY]. I am here to learn about how people in this neighbourhood feel about some important social issues and current affairs and also to understand people's media habits and needs. We would like to talk to you and other people in your neighbourhood about these issues. You were chosen by chance (like picking a mango out of a basket without looking), and your help in answering our questions is important and voluntary.
